CHRISTMAS CARDS

2021

We at Out of the Box believe this Christmas should be a time to rest your weary feet and breathe deeply. We've created beautiful Christmas cards that focus on love and inclusion, championing women and racial representation.

Cards are sold in packs of 6 with envelopes for £8.

10% of the income from these cards will be donated to charity.

For more info, head to our website at:

www.outofthebox.cards

This year we've added 4 new designs to our collection!
